PART II.

REVENUE DEPARTMENT.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Dated 10*th December* 1918.

The public are hereby informed that the maximum retail, wholesale and commandeering rates of paddy, rice, ragi and jola have been fixed by Government as shown below for the present and until further orders. These rates will be liable to be altered by Government from time to time.

It will be observed that the commandeering rates are much lower than the maximum wholesale and retail rates so that a person having a stock of the abovementioned grains will by taking it himself to the market and selling it to the licensed dealers or the public be able to obtain much better prices therefor than he would if it were commandeered by Government. Commandeering will be resorted to only where people withhold their supply from the market when there is public demand for it. It will be therefore to the interest of all persons concerned to readily place their surplus stock of grain themselves in the market for sale instead of waiting till it is commandeered by Government.

Owners of stock who wish to take their grain into the market should apply to the Patel or Chairman of the Village Committee or other person in the village authorised by the Amildar in this behalf, who will issue a permit after satisfying himself that there is sufficient stock still left in the village and that the transport of the stock according to the application will not prejudicially affect the supply required for the village.

Persons in possession of such permits will be allowed to proceed to the destination mentioned in the permit without molestation by any Government officer on the way.
